- KHALIFA, juega con el brillo. KHALIFA es un sueño de las mil y una noches hecha luz.

Esta lámpara se inspira en el mundo oriental del lujo y la geometría, aportándole una nueva dimensión mediante la luz y añadiendo un juego de fractales gracias a su cristal, que emite y expande multitud de reflejos.

Dentro del más alto refinamiento, produce un increíble e interesante juego lumínico, creando un ambiente distinguido a la vez que proporciona un nivel decorativo inigualable.

Es un objeto que bebe del entorno y devuelve elegancia al espacio donde reside.

- KHALIFA, plays with brightness. KHALIFA is a arabic tale made light.

This lamp is inspired by traditional luxury arabian world, bringing a new dimension by adding light and a set of fractals thanks to its crystal, which emits and expands many reflections.

Within the highest refinement, it produces an amazing and interesting play of light, creating a distinguished ambient while providing an unmatched ornamental level.

It is an object that drinks from the environment and returns elegance to the space it is placed in.
